

Feeling weak lately?

Feeling physically restricted?

# National Donor Programme

provides you with a healthy,  
long lasting life

-As soon as you feel like needing a new organ, you are now able to get it

- We only offer 100% healthy organs that will definitely save your life

Want to know how the NDP exactly works and what special features are included?  
**turn the page**

**About the  
organs:**

**-the organs  
you'll receive  
come from  
"Donors" who  
are people  
voluntarily  
donating their  
organs**

**-the Donors  
undergo a  
checkup before  
they have their  
surgery**

**By signing up  
for the NDP:**

**-YOU decide  
when to get  
surgery**

**-YOU can  
choose whose  
organ you'll  
receive**

**-YOU can have  
an organ  
transplantation 24h  
after signing up for it**
